

## **AUDUBON AND FRIENDS TOO 2013 ART SHOW**

The Audubon and Friends Too 2013 art show will open on May 4, 2013, at the new Wulff Gallery at the Catskill Fly Fishing Center and Museum in Livingston, Manor, NY. A reception for the show will be held in the new gallery at 4 PM on Friday, May 3.

As the date draws nearer, Kate Hyden gets a little more flighty! After all, an art show consisting of 28 Audubon and wildlife artists with the gallery under construction? I just want to get out there with a hammer or something to speed things along; instead, I have added an Audubon Arts and Crafts Festival to the end of the 6 week stay at the Catskill Fly Fishing Center to fall on June 15. Jewelers, potters, photographers, any and all bird or butterfly crafters are welcome! If you know of any birdbath makers, birdhouse engineers, butterfly or bat condo builders send them my way. Email Kate at [khyden1@hvc.rr.com](mailto:khyden1@hvc.rr.com).

We hope to have a resounding presence of people who love birds and beauty at the show so please consider this an invitation to our reception on May 3 at 4 pm. The show is May 4 through June 16 with the Crafts Festival on June 15; all at the Catskill Fly Fishing Center. The show will be open during regular hours with weekday access through the museum gift shop.
